DECLARATION OF CONFORMITY

We, Perpol Ltd, hereby declare that the product listed below is manufactured and supplied in accordance with the following standards and regulations:

Product: Isopropyl Nitrite.
Intended use: Room Odouriser.

- ISO 9001:2008 Quality Management System.
- NP3330BM Environment Agency IPPC regulations.
- HSE - 4087456 Health and Safety at Work Act 1974 regulations.
- HSE - CHiP4 regulations – Classification and Packaging.
(including appropriate Risk and Safety markings and ISO8317 Childproof Cap)
- UN – ADR 2009 – Transport of Dangerous Goods by Road
- UK Trading Standards Association – Packaging & Analysis requirements.

Scope:

Manufactured under close supervision of the Health and Safety executive and the Environment Agency, measures and controls are in place to ensure the safety of personnel involved in the manufacture and supply.

Having close relations with UK Trading Standards, we have also implemented a testing regime, to guarantee the purity of the product, and in particular the complete absence of N-Nitrosodimethylamine, which can be found in unregulated product, and which is highly toxic and a suspected carcinogen.

Any product that does not conform to the above regulations could be potentially harmful.

Signed:

John Addy, Managing Director,
Huddersfield, 23-02-2011.
